2021 YEAR-END REPORT

Dear Neighbor,

As 2021 draws to a close, I want to thank you for your unwavering commitment to defeating this virus and keeping our community as safe and healthy as possible. In the face of enormous challenges over the past two years, your diligence, cooperation, and willingness to follow guidelines have literally saved lives. Thank you.

If you haven't already, please make a plan to get your COVID-19 vaccine or booster as soon as possible. Each of the COVID-19 vaccines approved for use in the United States is completely safe and highly effective in preventing infection or severe disease. So please, do not wait any longer.

Like all Americans, Congress has worked tirelessly over the past two years to adapt to this "new normal" we find ourselves in. It has not been easy, but our work has not slowed a bit. I hope you'll take a moment to look through this summary of all my team and I have accomplished over the course of this year.

The past year has been trying and hectic, both in Congress and across our country. Still, I am more determined and hopeful than ever. Please know that nothing, not a global pandemic nor anything else, will deter me from continuing to fight for our community.

Sincerely,

LEGISLATIVE REPORT
