SEC. 2. SENSE OF CONGRESS.

It is the sense of Congress that—

agencies to retain the specialized knowledge and ex-
perience of individuals who suffer an injury or illness
while serving in a covered position (as defined under
the amendments made by this Act); and

(2) Federal agencies should ensure, to the
greatest extent possible, that an individual who can
no longer carry out the duties of a covered position,
and is reappointed to a position in the civil service
that is not a covered position, is reappointed within
the same Federal agency, in the same geographic lo-
cation, and at a level of pay commensurate to the
position which the individual held immediately prior
to such injury or illness.
